ABOUT US

AT **KAGI FOODS AND COMMODITIES** we invite you to embark on a journey to discover a reliable and trustable partner in the world of international trade.

Our mission is clear:

To empower your business by ensuring sourcing efficiency, delivering products of uncompromising quality that meet the norms and standards of your destination country, and providing unwavering financial security through secure payment instruments.

KAGI FOODS & COMMODITIES can elevate your business to new heights.

Our journey began with a specialization in Personal Protective Equipment, but our evolution has been driven by substantial investment capital. This infusion allowed us to seamlessly adapt and cater to the ever-increasing demands of our global clientele.

Founded by **Gilles Lefrancois**, a French national with over 25 years of experience in Asia, KAGI embodies top-tier expertise in sourcing, procurement, and supply chain management. Our comprehensive logistical solutions cover the entire spectrum, from advanced warehousing to door-to-door deliveries.
